

## **Thank you for considering McKay's RV & Marine as your dealer of choice.**

As you go through our website please be aware all pricing is in U.S. dollars. Please don't let the fact that there is a border between us keep you from saving thousands of dollars on your next R.V. or boat. Besides pricing is in U.S. dollars, we have compiled a list of items you need to take care of (with our help) in order to import into Canada. We will provide the paperwork necessary to import your unit across the border.

The following will apply: Nova Scotia, New Brunswick, Newfoundland, and Labrador. 5% GST & 8% HST in Quebec, GST & QST. Note: Canadian Border Agency does not accept cash or checks for RIV fee.
